

## **Your Safety is Our #1 Concern**

**In order to protect you and your vehicle we.....**

- ▲ **Abide by the national Auto Glass Replacement Safety Standard (AGRSS) and the Federal Motor Vehicle Safety Standard (FMVSS) for auto glass installation.**
- ▲ **Use Sika Auto Glass Adhesive Systems that exceed all Federal regulated quality and performance requirements and are rated the most technically advanced products worldwide.**
- ▲ **Hold your vehicle out of service long enough to meet the necessary Safe-Drive-Away-Time (SDAT) established by Sika, and required by law.**
- ▲ **Maintain a record of the work completed on your vehicle in order to protect all manufacturers' warranties.**
- ▲ **Install your auto glass following all manufacturers' instructions with certified technicians to ensure quality workmanship and your satisfaction.**

**It's not only what we choose to do...**

**It's the LAW!**
