BMI Bond 290 is a specially formulated cementitious product designed to adhere decorative foam shapes to stucco, masonry, or concrete surfaces.

**USES**
- Adhesive and base coat for BMI Finishes
- Leveling coat over approved substrates

**PRODUCT INFORMATION**

<table>
<thead>
<tr>
<th>Packaging</th>
<th>50 lb (22.7 kg) bag</th>
</tr>
</thead>
<tbody>
<tr>
<td>Shelf Life</td>
<td>12 months from date of production if stored properly in original, unopened and undamaged sealed packaging</td>
</tr>
<tr>
<td>Storage Conditions</td>
<td>Store dry at 40–95 °F (4–35 °C). Protect from moisture. If damp, discard material</td>
</tr>
</tbody>
</table>

**APPLICATION INFORMATION**

<table>
<thead>
<tr>
<th>Mixing Ratio</th>
<th>1.5 gal (5.7 L) per bag</th>
</tr>
</thead>
<tbody>
<tr>
<td>Coverage</td>
<td>1/4” notched trowel 80–100 ft²</td>
</tr>
<tr>
<td></td>
<td>1/8” notched trowel 45–60 ft²</td>
</tr>
<tr>
<td>(Coverage figures do not include allowance for surface profile and porosity or material waste)</td>
<td></td>
</tr>
<tr>
<td>Layer Thickness</td>
<td>Min.: 1/16”–1/8” (1.6–3.2 mm)</td>
</tr>
</tbody>
</table>
Curing Time

• BMI Bond 290 must cure for 72 hours before application of polymer finish coat.
• If a stucco cover coat is applied, its application should take place within 48 hours. If time is longer than 48 hours, a suitable bonding agent is recommended.
• In hot or dry climate conditions, lightly mist BMI Bond 290 with water to ensure proper curing.

APPLICATION INSTRUCTIONS

MIXING

• BMI Bond 290 is mixed only with clean, potable water in a mechanical mixer or with a drill mixer in a five gallon pail.
• Mix for a minimum of 3 minutes until a paste like consistency is achieved.
• Do not overmix, although mixture can be retempered if needed.
• Do not mix any additives with BMI Bond 290 unless recommended by manufacturer.

APPLICATION

• BMI Bond 290 requires the use of a mesh product (fiberglass or synthetic) over the foam substrate.
• BMI Bond 290 can be applied to foam substrate and mesh utilizing an air induced application gun or by hand trowel.
• Following EIMA guidelines, BMI Bond 290 is applied to architectural foam details, the mesh is then imbedded into the wet foam layer with a trowel and additional BMI Bond 290 mixture is applied (if necessary) to “hide” the mesh and to smooth out the BMI Bond 290 layer.

CLEANING OF TOOLS

• BMI Bond 290 is highly adhesive.
• Before material dries, tools and machinery require only water and sponge for simple cleanup.
• Spillage and overspray should be removed before BMI Bond 290 dries.
• If dry, residue will require time consuming removal.

BASIS OF PRODUCT DATA

Results may differ based upon statistical variations depending upon mixing methods and equipment, temperature, application methods, test methods, actual site conditions and curing conditions.

LOCAL RESTRICTIONS

Prior to each use of any Sika product, the user must always read and follow the warnings and instructions on the product’s most current Product Data Sheet, product label and Safety Data Sheet which are available online at http://usa.sika.com/ or by calling Sika’s Technical Service Department at 800.933.7452 nothing contained in any Sika materials relieves the user of the obligation to read and follow the warnings and instructions for each Sika product as set forth in the current Product Data Sheet, product label and Safety Data Sheet prior to product use.

ECOLOGY, HEALTH AND SAFETY

Keep container tightly closed. Keep out of reach of children. Not for internal consumption. For industrial use only. For professional use only. For further information and advice regarding transportation, handling, storage and disposal of chemical products, users should refer to the actual Safety Data Sheets containing physical, ecological, toxicological and other safety related data. Read the current actual Safety Data Sheet before using the product. In case of emergency, call CHEMTREC at 1-800-424-9300, International 703-527-3887.

DIRECTIVE 2004/42/CE - LIMITATION OF EMISSIONS OF VOC

0 g/l  
(EPA method 24)

LEGAL DISCLAIMER

Prior to each use of any product of Sika Corporation, its subsidiaries or affiliates (“SIKA”), the user must always read and follow the warnings and instructions on the product’s most current product label, Product Data Sheet and Safety Data Sheet which are available at usa.sika.com or by calling SIKA’s Technical Service Department at 800-933-7452.
