NOTE: The purpose of this chart is to provide a representation of Sika's colors and textures; color will vary depending on type of finish and texture selected. The color and texture representations should not be used for final selection. Actual color and texture selection should be made from a sample made by the applicator using the same tools, techniques, and materials proposed for the actual project. Sika is not responsible for color correctness of applied coating. Color must be verified and approved by the owner prior to application.
