

Sika® Level-02 EZ Primer AT A GLANCE

NEW

Sika® Level-02 EZ Primer

Unit size	1 Gallon
Components	1
Chemistry	Acrylic
Coverage per Gallon	300 - 500 SQFT
SL Depth Limit	Unlimited
Cure Time	1 Hour
Color	Mint

Sika® Level-02 EZ Primer is a new acrylic primer for use on sound, smooth and non-porous substrates in interior areas. Applied prior to the use of Sika® Level underlayments and patching compounds on epoxy, ceramic tiles, old vinyl, linoleum, rubber and other coverings.

This new product replaces Sika® Level-02 Primer and offers many additional benefits including better coverage, faster cure time and no mixing required (single component).
