

TECHNICAL BULLETIN

FOR TARGET MARKET ROOFING

BUILDING TRUST

Subject: Sarnacol Urethane Board Adhesives used with Extruded Polystyrene Insulations #15-4

1/1

Effective immediately, if DOW XPS insulation and Sarnacol OM Board Adhesive is specified only DOW's Deckmate Plus FA will be allowed. No restrictions with Owens Corning's roofing XPS insulation boards (Thermapink and Durapink), but a FA style board is preferred (planed surface to remove film) with Sarnacol 2163, Sarnacol AD Board Adhesive, and Sarnacol OM Board Adhesive.

	Sarnacol OM Board	2163 / Sarnacol AD Board
DOW	Deckmate Plus FA	ANY Board (FA style preferred)
Owens Corning	ANY Board (FA style preferred)	ANY Board (FA style preferred)
