

# Sikafloor® DecoDur® Quartz DECORATIVE FLOORING SYSTEMS

## ARTISTRY UNDER FOOT

Sikafloor DecoDur Quartz systems blend ceramic-coated quartz aggregate with a clear polymer matrix, creating a wide range of finishes and textures for distinguished style and performance. Ideally suited to commercial, institutional and industrial uses, these versatile systems can be tailored to your environment.

- Virtually endless variety of quartz color combinations
- Various levels of slip resistance and surface texture
- Lower maintenance and life cycle cost than tile, sheet goods and carpet
- Excellent durability and long-term performance
- Superior mechanical and chemical resistance
- Provides a hygienic and safe work environment
- Crack bridging/waterproofing membrane available
- Low odor, low VOC
- Optional integrated cove base and curbs available

# Sikafloor® Quartzite®

## Institutional, Industrial & Commercial Flooring

### MANY DEGREES OF CUSTOMIZATION

Get the precise look, texture and performance you desire with Sikafloor DecoDur Quartz Flooring Systems.

- **A rainbow of colors in a variety of textures**

Looking for a bold, terrazzo-like design or a soft subtle tweed pattern? With our impressive palette of decorative quartz in varying colors and sizes, your choices are virtually limitless.

- **Versatile application methods**

Every installation has a unique budget, substrate condition, aesthetic consideration and applicator preference. Sikafloor DecoDur Quartz systems accommodate each of these factors, making installation a smooth process.

- **Advanced performance tailored to your needs**

Low odor and environmentally friendly low VOC formulations fit easily into any setting and decor. Available in gloss, satin and chemical resistant top coats. Also, integral cove bases and waterproof membranes are available as options.
