

Sika® FLOORING: PROJECT OF THE YEAR NOMINATIONS

Sika Flooring is accepting installer nominations for the 2019 Project of the Year awards. Nominations may be submitted for one of three flooring categories: *Industrial Floor, Decorative Floor or Specialized Floor (i.e. ESD, Floorjoint S, Sports Floor, etc.)*

To qualify for a nomination projects:

- Must have been completed between 11/1/18 and 10/31/19
- Project must have used 100% Sika products
- Project must be available for professional photography and publicity
- Nominations must be submitted with at least one photograph.
- Nominations must be submitted to Flooring Marketing by 12/6/19

To submit a nomination for Project of the Year complete the form on the reverse and send it along with a photograph to Flooring Marketing by 12/6/19.

The winning installers in each category will receive a trip for two to join Sika at the World of Concrete Trade Show to be held in Las Vegas on February 4 - 7, 2020 (airfare for two and two night's hotel accommodations for two).

Project Judging Criteria

Projects submitted for the Project of the Year Awards will be evaluated and scored on:

- Quality of workmanship
- Overall aesthetics and design
- Meeting special customer requests, such as colors, textures, surface hardness, chemical resistance, etc.
- Overcoming site difficulties, such as difficult substrates, removing existing floors, moisture mitigation, access, etc.
- Building owner satisfaction
