HOW ARE THE TERMS OF THE “SIKA® SECURE WARRANTY” DEFINED?

The Sika® Secure Warranty length is defined as a period of time equal to the flooring manufacturer’s warranty period.

If no flooring manufacturer’s warranty applies, “Sika® Secure Warranty” is defined as a period of time not to exceed **10 years for carpet and sheet vinyl, 15 years for luxury vinyl tile (LVT), or 25 years for wood floor or other floor covering systems.**

WHAT DOES THE SIKA® SECURE WARRANTY COVER?

Labor and Materials are covered by the Sika® Secure Warranty. To get the benefit of a Sika® Limited Material and Labor Warranty you must first fulfill the warranty application requirements.

In the event of a valid claim under this Warranty, Sika® in its discretion will either pay the reasonable cost of labor and materials to repair or replace on a square foot basis the portion of the floor proven to be defective due to a defect in the Sika® Product(s) subject to exclusions as set in the Warranty. Sika® will repair or replace the affected floor one time only. Any repairs made prior to Sika® evaluating the claim will void this Warranty. Please contact your local Sika® Sales Representative for more information and warranty requirements.
