Meet the demand with **SikaColor®-100 P Conduit Red** - ideal for concrete-encased duct banks.

EASY

- Packaged in clean repulpable 20 lb. bags
- 1 bag can treat between 1-3 yards, depending on local color requirements

LOW RISK

- No color matching batch to batch
- No homeowners involved

IMPROVED VISIBILITY

- Highly visible red concrete
- Reduces risk of accidental strikes, service interruptions, and injury

SPECIFICATION COMPLIANCE

- Required by municipalities, universities, and data centers
- Valuable option for meeting contract demands

**Contact your local SikaColor
Distributor for pricing!**

**Not for exact color matching.*
