

GLOBAL BUT LOCAL PARTNERSHIP

Sika is a globally active company supplying the specialty chemicals markets. It is a leader in processing materials used in sealing, bonding, damping, reinforcing and protecting load-bearing structures in construction (buildings and infrastructure construction) and in industry (vehicle, building components, equipment production, solar and wind power).

Sika's product lines feature high-quality concrete admixtures, specialty mortars, sealants and adhesives, damping and reinforcing materials, structural strengthening systems, industrial flooring and membranes. Subsidiaries in more than 101 countries worldwide and approximately 20,000 employees link customers directly to Sika.

SIKA HEAVY TRUCK PRODUCT APPLICATION SOLUTIONS

© 2020 Sika Corporation. All Rights Reserved. REV. APRIL 2020

SIKA HEAVY TRUCK

Manufacturers as well as truck operators require and demand reliability and durability in combination with continuous reduction of vehicle production and operating costs. Sika, as a supplier and partner to the global truck industry, provides a range of state-of-the-art technology solutions to assist truck manufacturers in meeting these challenges.

- Lightweight design and enhanced aesthetics
- Improved crash performance
- Faster processes
- Passenger comfort and safety
- Environmental health and safety
- Reduction of operational costs (fuel and maintenance)

NOISE, VIBRATION AND HARSHNESS SYSTEM

Formulated technology solutions to facilitate significant reductions in vehicle noise by absorption of vibration within the vehicle body.

Products: SiksBaffle®, SikaDamp®, SikaGard®, SikaReinforcer®

BODY AND PAINT SHOP

Complete portfolio of products to bond and seal dissimilar materials offering flexibility, durability and a reduction in the number of spot welding points, while reducing corrosion and water ingress

Products: Sikaflex®, SikaSeal®, SikaPower®

Heavy Truck Products & Applications

HIGH ROOF AND EXTERIOR PARTS

Improved interior space, lower noise, greater insulation and increased stowage space have facilitated development of high roof sleeper cab trucks capable of providing maximum comfort. Sika provides a complete range of structural adhesives to meet the highest demands of quality, performance and service.

Products: SikaFast®, Sikaflex®, SikaForce®, SikaPower®

DIRECT GLAZING

A large portfolio of direct glazing adhesives is available to meet all process needs, may it be high non-slip down performance, fast curing speed or process simplification thanks to black primerless solutions.

Products: Sikaflex®, SikaTack®, PowerCure

INTERIOR TRIM

Attractive interiors for better travel comfort require the use of different materials. Sika has developed several hot melt, solvent based and water based solutions to create strong adhesion to many substrates.

Products: SikaMelt®
